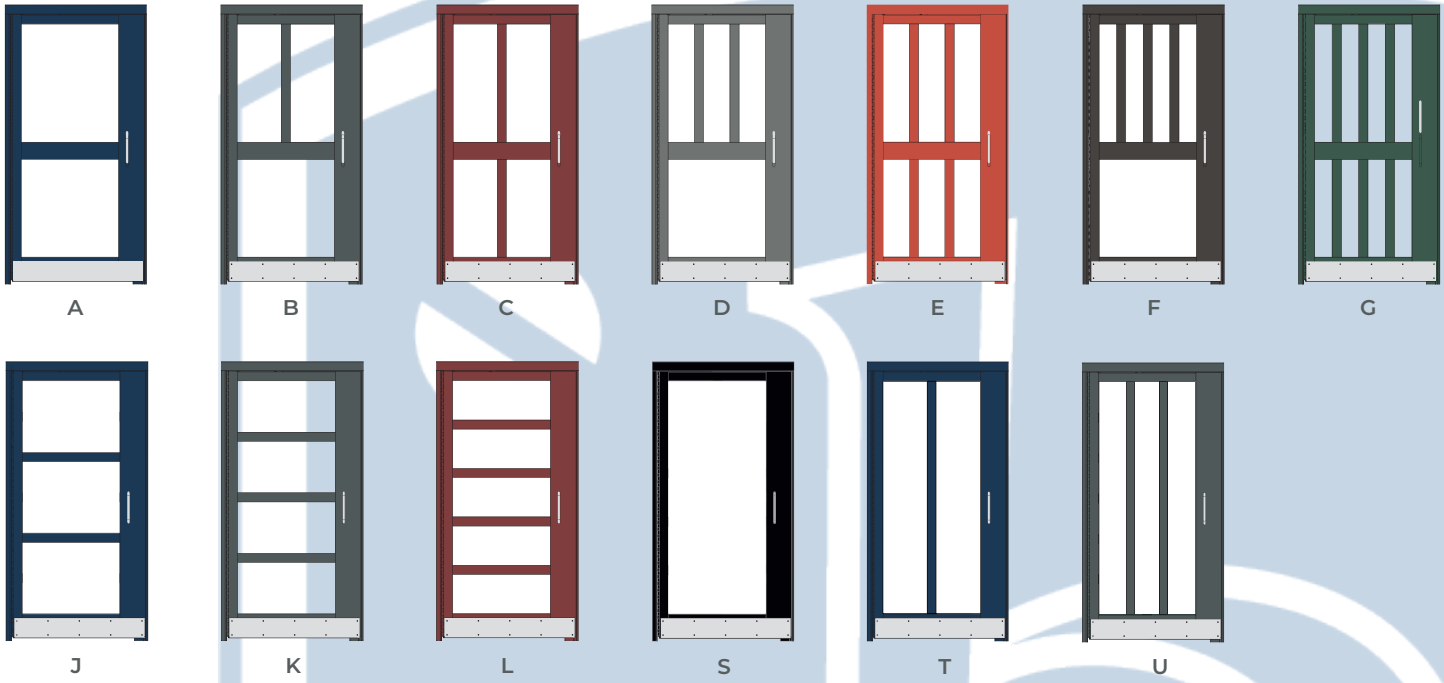
Newton Doors

DESIGN CONFIGURATIONS

Our communal doors and panels are available in a selection of design configurations. The below configurations are shown with glazed infills, but these can be replaced or used in conjunction with solid infills.



Please note, the configurations are shown with glazing panels, but any of these may be replaced with solid infill. 6mm or 10mm laminate, polycarbonate or double glazing is available in our ClassicAL design.

COLOURS & FINISHES

Our communal doors and panels are available polyester powder coated in the below colours in a textured finish, as standard. Other colours and finishes are available upon request, including matte, gloss or semi-gloss finishes. However, these may incur an extra cost and a longer lead time. Our products can also be supplied unpainted, and primed only.
